

Mapping: Olympian Sportswomen

An extension of "Tennis sisters to watch"

INSTRUCTIONS

1. READ "Tennis stars to watch" (page 22, *What's Up* February 2017). There are other female sport stars as well. Ten Olympian gold medalists are listed below.
2. FIND out which sport each of these ten athletes is associated with, and the country she represented at the 2016 Olympics. Jot down your answers in the spaces provided.
3. PLOT and LABEL their countries on the given map, using a different colour for each country. You may refer to an atlas to do this.
