Art Speaks to Me

An activity of "Life expectancy rising to over 90 years"

1. READ "Life expectancy rising to over 90 years" (page 6, *What's Up* March 2017).
2. VIEW Linda Yew's "**Art to Heart**" on the back page of the same *What's Up* issue.
3. READ "**A letter from Linda**" (next to her artwork). Linda writes about being caring towards other people, and not judging anyone unkindly. In the "I say" column, write your response to what Linda says.

	Linda says	I say
1	<i>"Have you ever felt hurt or upset when someone said negative things about you that were not true?"</i>	
2	<i>"Just as we dislike being judged, realise how easy it is for us to make the very same mistake of misjudging others..."</i>	
3	<i>"Always think well and speak well of others, for even if we have judged wrongly, we would have done so with kindness."</i>	
4	The ducks on the shore are being mean to what they think is an ugly duckling. You may know this famous fable. Apply its message to real life. What sometimes happens to a person – young or old – who may look different in some way from those around?
