

Mapping: The Ashima Trail

An extension of "Others avoid obstacles, she climbs them"

INSTRUCTIONS

1. READ **"Others avoid obstacles, she climbs them"** (page 18, *What's Up* March 2017). Several boulders and events are mentioned in the story.
2. LOCATE which cities and countries these boulders and events are in. Write your answers in the table below. You may look up boulders' locations by doing an internet search. The last boulder listed is where we hope Ashima will come.
3. LABEL and COLOUR the eight countries on the map, using a different colour for each country.

Boulder/Event	Crag/City	Country
