Pick the Winner

An extension of "Extraordinary architecture"

Read "Extraordinary architecture" (pages 12 and 13, *What's Up* August 2017) to find out who took each of these photos and what they are about. They are all entries to an international contest. What if you were a judge in that contest? Which of these spectacular photos would you pick as the winner? Give a three-minute presentation in class on what made you decide on your winning entry.
