Alike & Different

An activity of "Different worlds"

On pages 12 and 13 of *What's Up* September 2017, you will see several wonderful photographs of children in different parts of the world. Do you think you might have a couple of things in common with these kids? Follow the steps below to explore this possibility with a classmate. As important, discover how you are unique as well.

INSTRUCTIONS

Read "Different worlds" (page 12 and 13), including all the photo captions. Pick any two children shown on these pages. Use the Venn diagram to plug in what each of you have in common with each of the other two, as well as what is unique. You will have to do some intelligent guesswork based on the photo captions.

3. SHARE your Venn diagram with your class. Talk about what this activity meant to you.
