

## Celebration T-shirts

*An extension of "Happy 50<sup>th</sup> birthday Asean!"*

Perhaps the greatest achievement of the Asean group of nations is the peace and stability most of its members have enjoyed. Show your appreciation of Asean's 50 years of peaceful engagement by designing a T-shirt for yourself.

### INSTRUCTIONS

1. Read "**Happy 50<sup>th</sup> birthday Asean!**" (page 6-16, *What's Up* October 2017).
2. Create a design to commemorate Asean's 50<sup>th</sup> Anniversary. The design must include the Asean logo, mention of the period 1967 – 2017, and a slogan to highlight its 50<sup>th</sup> anniversary. Sketch the design within the outline below. If you like, you may decorate the T-shirt with sketches of whatever is special to you about Southeast Asia.

3. When you are satisfied with your artwork, use fabric pens or paints to transfer your design onto a white T-shirt that fits you.
4. Wear your T-shirt often to celebrate this great event.
