

Places Her Passion Took Her

An extension of "Doctor on the move"

"Doctor on the move" (page 6-7, *What's Up* July 2018) is about an inspiring doctor who went far and wide to serve people in distress. Read it carefully.

INSTRUCTIONS

The numbers on the map below show the countries to which Dr Nadirah has travelled. These countries and their capital cities are given next to their corresponding numbers in the table. They are, however, scrambled. Working in pairs, unscramble the names. Mention one challenge each country faces.
