Five Reasons to Adopt, not Buy

An extension of "New hope for Macau's homeless greyhounds"

Read New hope for "**Macau's homeless greyhounds**" (page 19, *What's Up* August 2018).

Get into groups of 3 or 4. Imagine you are a team of writers for the popular website, BuzzFeed. You are tasked to write a listicle entitled, "5 Reasons to adopt, not buy, your pet".

1. As a group, jot down as many reasons as you can for adopting pets instead of buying them.
2. Discuss and shortlist your top five reasons. Think carefully. Are these really the best reasons? Are they written persuasively enough to convince your readers to adopt instead of buying their pets?
3. Design your listicle in the space below. Feel free to draw pictures that will make your message more impactful.
4. Present your list to the class. Be prepared to explain your points.
