Art Speaks to Me

An activity of "Regardless of race"

The following images are taken from a poster called "**Regardless of race**" (pages 12-13, *What's Up* September 2018). Locate these three scenes in the poster. Then, read the text boxes near them. In your own words, respond to Linda Yew's artwork and the text each scene is illustrating. If you need more space, use the other side of this handout.
