

Interview Grand Wizard Theodore

An activity of "World's best DJs show off their skills"

Read **"World's best DJs show off their skills"** (page 21, *What's Up* February 2019).

Imagine you are a reporter. You have been given the opportunity to interview Grand Wizard Theodore, the inventor of the famous "scratching" technique.

What are some questions about DJing you would ask him? What do you imagine his answers would be?

Work in pairs.

1. Write down 5 interview questions in the space below.
2. Imagined what his answers to your questions might be.
3. Decide who will play the reporter and who will play Grand Wizard Theodore.
4. Act out the interview!

What did it feel like to act out the interview? Share your thoughts with your class.

A large, empty clipboard with a thick red border and a silver clip at the top. The clipboard is intended for students to write their interview questions and answers.
