

Campaign Video: Save Our Forests!

An extension of "Sumatra's honey farmers"

Read "**Sumatra's honey farmers**" (page 15, *What's Up* February 2019).

Get into small groups.

1. How do you feel about this article? What can we learn from the Sumatran honey farmers? Discuss your responses in your group.
2. Record a video to educate your viewers. In your video, explain:
 - Why we should care about the world's forests.
 - What we can do to save our forests.
3. Use your creativity!
Your video needs to be engaging in order to catch people's attention. Your job is to convince your viewers that they need to play a part in saving our forests.

Use the space below to take notes as you plan and discuss with your group.
