Say the Word

An extension of "Saving the pangolin"

It is always sad to learn of creatures that are under threat of becoming extinct. The adorable little pangolin is no exception.

1. Individually, read "**Saving the pangolin**", (pages 12–13, *What's Up* April 2019). Number the columns in page 12 of the article 1 to 3, from left to right.
2. In pairs, complete the table below. Go to the column listed here and find the word or phrase that has a meaning similar to that given in the table. Write the word or phrase in the space provided.

Where	Meaning	Word/Phrase	Where	Meaning	Word/Phrase
Col 1	does not exist now	1.	Col 1	a detailed plan to succeed	9.
Col 1	has an extremely high risk of disappearing soon	2.	Col 1	practised for a long time without changing	10.
