

Out of the Box

An extension of "Different ways of seeing"

In "Different ways of seeing" (pages 12-13, *What's Up* June 2019), we examine photographs taken in a creative manner, showing us a different perspective of things. Can you do the same? Pair up with a classmate and discuss ways to take creative photographs of the stationery items shown below. Then, post them on your social media and see which ones get the most "likes"!

Here are some words to spark your creativity:

Upside-down

Close-up

Zooming in/out

Shadows

Reflections
