Art Speaks to Me

An activity of "World must help refugees return to a normal life"

Art by Linda Yew

1. Read "**World must help refugees return to a normal life**" (page 1, *What's Up* October 2019).
2. View Linda Yew's "**Art to Heart**" on the back page of the same *What's Up* issue. She illustrates a quote by Ryunsuke Satoro. Study her artwork — zoom in on every minute detail.
3. Read the note from Linda (below the artwork on page 24). Then, complete the table below. In the "I say" column, write your response to what Linda says.

	Linda says	I say
1	<i>"Some people find it hard to give or share. They fear losing out and not having enough for themselves."</i>	
2	<i>"Others feel that they are too insignificant to be of much help. There are many other reasons for hesitating to contribute."</i>	
3	<i>"But, remember that when we share our talents and resources, our capacity to achieve great things together is multiplied many times over! No contribution is too small."</i>	
4	Give an example of what you have shared recently. It could be something you said or did that helped someone else.
