Banksy's Note An activity of "Banksy"

Read "Banksy" (What's Up May 2020 issue). Along with the giant mural, Banksy also left a note for the students of Bridge Farm Primary. Imagine you are Banksy. What do you think he would have written in that note?

Write a short essay thanking the children for voting for him. Also, offer the children some advice about life. Imagine that you are writing this note for someone younger than you.

Before you start writing, consider the following questions:

- 1. Why are you thankful that the children voted for you?
- 2. What are two to three pieces of advice you want to give them?
- 3. Why is your advice important?

OUTLINE OF YOUR IMAGINARY NOTE FROM BANKSY

Write your note to the children on a fresh sheet of paper.
