

## Scheming Ways

*An activity of "Former prime minister guilty of corruption"*

Corruption is a great social evil that can destroy a country and cause misery for many. **"Former prime minister guilty of corruption"** (page 10, *What's Up* August 2020) explains this so well. Read it carefully on your own. Then, do this activity in pairs.

This mind map illustrates corruption as it is explained in the story. Fill in the gaps to complete it. Most of the words are from the article.

Add to the mind map any further ideas you may have — particularly solutions to overcome or prevent corruption.
