Nominate a Teacher

An extension of "Humble teacher shares his big prize..."

Read **"Humble teacher shares his big prize with others"** (page 10, *What's Up* March 2021). The Global Teacher Prize is awarded to one amazing teacher every year. Like the winners, many other teachers are passionate and determined to improve the lives of his or her students. Do you know such a teacher? This is your chance to nominate that teacher for the prize!

1. Before you write your nomination letter, consider the following questions. Jot down your thoughts in the spaces provided.

a) What do you like most about your teacher? Why?

b) What are some ways your teacher makes learning very interesting?

c) How has this teacher made a huge impact on your life?

d) What are some difficulties you or your friends face? How has your teacher helped with these?

e) What do you think other teachers can learn from this teacher?

f) Why do you think your teacher deserves to win the prize?

2. Use these points to write a letter nominating your teacher for the prize.
3. Get permission from your class teacher/parent/guardian first. Then, submit your nomination at <https://www.globalteacherprize.org>.

The contest gets thousands of nominations every year. Even if your teacher does not win, you will be affirming your nominated teacher to go on being outstanding.
