Class: _____ Date: _____

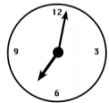

Short Story: A Day in the Life

An activity of "Our funny animal friends"

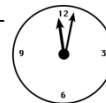

The article "Our funny animal friends" (page 14–15, *What's Up* June 2021) features photographs of animals in funny situations. Choose a photograph from this article. Then, write a short story about a day in the life of that animal. How did it end up in the situation shown in the photograph? Answer the prompts below to help you get started! Jot down your responses in point form here. Use a fresh sheet of paper to compose your story. Share your story with your class.

What happened in the....

morning? _____

afternoon? _____

evening? _____

WHO are in the story?

(names of your animal and other characters)

WHERE did it happen?

WHEN did it happen? (which day/month/season)

WHAT was the main problem faced by your animal?

HOW was the problem resolved?
