Flying in a Jet Suit

An activity of "Jet Suit makes flying a breeze"

In "Jet Suit makes flying a breeze" (page 12–13, *What's Up* October 2021), we learn about Michael Browning's futuristic Jet Suit. Imagine that you are given the chance to wear one. Read the story. What do you think it would be like to fly in a Jet Suit?

Write an account to describe your experience. One way to describe your experience is to evoke all your five senses. Before you start, jot down some words or phrases related to your imaginary jet suit experience. Then, use them as a guide as you write your account.

I saw... 	I heard... 	I smelled... 	The suit felt... 	I tasted...
