

Storyboarding the Shackleton Story

An activity of "Lost ship discovered in icy Antarctic waters"

Read "Lost ship discovered in icy Antarctic waters" (page 8- 9, *What's Up* April 2022). You may work in pairs on this activity.

1. Select any part of this exciting story and summarise it using only six sentences. Illustrate each sentence. Use the space below to draft your work. Create the storyboard on an A3-sized poster paper.
2. Display all the storyboards in class and have a Gallery Walk. Notice how unique each one is because all of you have different standpoints.
