Repurposed Buildings

An activity of "Powering on: A new purpose for an old power station"

Read "**Powering on: A new purpose for an old power station**" (page 16–17, *What's Up* May 2022).

1. Based on your understanding of the article, what are some reasons for repurposing buildings?

2. Watch the following video:
Buildings That Got Repurposed For Something Their Architects Probably Didn't Even Dream Of ➤ <https://youtu.be/sK6KfjRT4a8> (Daily Humor, 25 March 2021)

3. Select any three of the repurposed buildings in the video. Fill in the details below.

Repurposed building <i>(Its name?)</i>	Old purpose <i>(Its use in the past?)</i>	New purpose <i>(Its use now?)</i>	My views <i>(My thoughts about this change?)</i>
a)			
b)			
c)			

4. Prepare a three-minute oral presentation about the **pros and cons of repurposing** old buildings for new uses. You may use the examples given in the *What's Up* story or any of your three favourites from the video you watched. Share your speech with your class.
