

Synthesis and Transformation

An activity of "Island's people are working together to protect this feathered beauty"

Often, there are many ways to express an idea in words. The sentences below are adapted from "Island's people are working together to protect this feathered beauty" (page 14, *What's Up* August 2022). Rewrite them into one sentence each using the helping words given.

1. Rimatara is a remote island in French Polynesia. It is lined with white sand beaches and coconut palms.

_____, *which* _____

_____.

2. Samuel heads a lorikeet nest observation programme. He produces wildlife documentaries.

Besides _____

_____.

3. The fact that the Rimatara lorikeet's population is concentrated in a small, vulnerable area makes it hard to protect the bird.

_____ *because*

_____.

4. These lorikeets are usually found in lowland forests. Most of these forests have been cleared.

_____ *where* _____

_____.

5. Rima Ura encourages people to plant more fruit trees around their houses.

People _____

_____.
