| 1. Based on the article, list three ways in which the 2022 World Cup in Qatar would be different from previous editions for the teams and/or spectators. • • • • • 2a) Think about how you might use an unexpected material to make something familiar. Make a list of such incongruous objects. (Look up the meaning of "incongruous" if you need to.) Three examples have been done for you: INCONGRUOUS OBJECTS Socks made of metal Chairs made of marshmallows Pillows made of glass |
