

Name: _____

Class: _____ Date: _____

No Easy Feat

An activity of "The Invisible Hands that Guide AI".

Read the article, "The Invisible Hands that Guide AI" (page 26, *What's Up October 2022*).

1. From the article, list the challenges and opportunities of being a data annotator.

Challenges	Opportunities

2. On the next page, summarise the opportunities and challenges of being a data annotator. The first part has been written for you. Complete the summary, writing no more than 150 words on the lines provided.

Some tips for summary writing:

- You may use the table above to help you organise your ideas.
- Avoid direct quotes. Paraphrase your summary.
- Ensure you cover all points. Avoid repetition or unnecessary details.
- Ensure you have met all the requirements of the question.
