We Can Be HI Art Generators!

An activity of "My adventures with AI art"

"My adventures with AI art" (page 20–21, *What's Up* January 2023) is artist Linda Yew's show-and-tell about her having fun with artificial intelligence (AI) art generators. Browse through the two pages. Then, imagine what you would come up with if you were a "Human Intelligence" (HI) art generator! Work in pairs on this activity for Total Defence Day (TDD).

1. Think of words linked to the Total Defence Day theme, "Together we keep Singapore strong". Jot down as many words as you can.

2. Brainstorm images that can be associated with your words. Sketch these images in the table.

3. Create an attractive TDD poster using your words and images. The TDD theme should be the title of your poster.

4. For Total Defence Day 2023, display all the posters in a corridor for other classes to enjoy! (Get permission with your teacher's help.)

TDD theme →	Together we keep Singapore strong.
Our words linked to TDD theme →	
Our images associated with our words →
