3. Assign each of the following types of smart glasses to a different group. The smart glasses are featured in the video you watched.

- Intel's Recon Jet Pro
- Epson Moverio BT-300
- Zungle
- Focals
- Vuzix Blade
- Solos

4. In your group, prepare a presentation about your focus pair of smart glasses. Present its unique features. Then, share what your group likes and dislikes about it. To develop your key points, use this starter mind map.

5. Take turns to have each group share its presentation with the class. After that, have a whole-class sharing of thoughts and feelings about these innovative creations.
