To Be or Not To Be

An activity of "Tee and Boba".

Read the following comics, "Tee and Boba" (page 28, *What's Up* May 2023). Tee is uncertain about what to do in the future. Maybe Tee should try out the Holland Code test.

The Holland Code (RIASEC) Test is an assessment tool, designed by psychologist John L Holland. Doing the test can help people explore their career options that align with their interests and personality. It broadly categorises careers into six main types — Realistic, Investigative, Artistic, Social, Enterprising, and Conventional.

You can try it out for fun too.

1. Do the RIASEC Test at <https://www.truity.com/test/holland-code-career-test> .

Here are some of the more common career paths that fall into these six categories.

Realistic	Carpenter, electrician, landscaper, mechanic, plumber, farmer, pilot, driver, gardener, police officer, surgeon, dentist, firefighter, vet.
Investigative	Archaeologist, zoologist, medical researcher, astronomer, meteorologist, pharmacist, nutritionist, computer programmer.
Artistic	Musician, actor, writer, artist, photographer, filmmaker, fashion designer, culinary artist, interior designer, choreographer.
Social	Teacher, counselor, social worker, psychologist, therapist, chiropractor, fitness trainer, community organizer, nurse, doctor.
Enterprising	Entrepreneur, salesperson, marketing specialist, real estate agent, stockbroker, advertising executive, investment banker, CEO, lawyer.
Conventional	Accountant, lawyer, data analyst, bank teller, bookkeeper, statistician, librarian, auditor, compliance manager.

2. What are some of your interests? What are some possible career paths you are keen to find out more about? Share your thoughts with a friend.

3. Watch the following video on 20 unique careers and see whether you can identify which category (Realistic, Investigative, Artistic, Social, Enterprising or Conventional) each occupation may belong to.

20 Jobs You Never Knew Existed | Ultimate List

➤ <https://youtu.be/PcZTEo-1cUA> (Insider, 13 April 2021)

4. In small groups, create an imaginary news article about a character who surprises his friends by pursuing an unexpected career. Write about how his/her success leads to a positive change in the friends' views about such jobs. Use the template below for your article.

This is a blank notebook page with a structured layout. At the top, there is a wide, shaded header bar. Below it is a smaller, empty rectangular box, likely for a title. The page is divided into two main vertical columns. The left column features a large, empty rounded rectangular box at the top, intended for a drawing or illustration. Below this box is a smaller, empty rectangular box, possibly for a name or subject. The remainder of the left column is filled with horizontal lines for writing. The right column is entirely filled with horizontal lines for writing. The entire page is enclosed in a simple rectangular border.
