## Synthesis & Transformation

*An activity of "Vietnam's precious primates"*

The sentences below are adapted from "Vietnam's precious primates" (Pages 16-17, *What's Up* July 2023). Rewrite them into one sentence each, using the helping words given.

1. More than half the douc langurs in the wild have disappeared. This is largely due to hunting and habitat loss.

\_\_\_\_\_ *because of*

\_\_\_\_\_

2. Mr Nguyen notices movements in a nearby ravine. It is a group of grey-shanked douc langurs.

\_\_\_\_\_ *are made by*

\_\_\_\_\_

3. GreenViet runs a nature school at the Son Tra Reserve. The school organises field trips for students, teachers, parents, and tourists.

*The nature school* \_\_\_\_\_
