

## Dancing is a Piece of Cake!

*An activity of "Tee and Boba".*

Read the comics "Tee and Boba" (page 28, *What's Up* September 2023). Now, stretch your imagination by responding to the following.

1. Work in pairs to write down what you think Tee and Boba are thinking in the four different scenarios below:

2. Tee shows us what it means to be inclusive. It's your turn now. Think about the ingredients that go into making an "inclusivity cake". For example, sugar symbolises the sweetness of acceptance, flour represents different backgrounds, etc.

Add in your own decorations with explanations to describe your recipe for inclusivity. An example has been done for you.

*Sugar: symbolises the sweetness of acceptance.*

3. Share with your class what you have written for parts 1 and 2 of this activity.
