

Show-and-Tell (books)

An activity of "Keeping the love of books alive in Afghanistan"

In "Keeping the love of books alive in Afghanistan" (page 7, *What's Up* May 2024), we read about a courageous book seller. Despite challenges and setbacks, he continues to match people with books, sharing his love of reading. Do you have a beloved book? Share this with your class and infect them with your love for reading.

1. Choose a book to share with your class. It can be a comic book. Plan your short presentation by filling in the table below:

a) What is this book about?	
b) What do you enjoy about the story? Give an example!	
c) Which character in the story do you like the most, and why?	
d) Flip the pages and show your class your three favourite passages and illustrations. Explain why they are your favourites.	

2. Have a Show-and-Tell session in class. Everyone takes turns to share a favourite book with the class.
