## Improving Children's Lives

*An activity of "Girls' lives".*

Thirty years ago, world leaders agreed to make life better for girls and women. UNICEF's 2025 report says that girls' lives have improved over the years since. Read about the changes in "Girls' lives" (pages 14–15, *What's Up* June 2025).

### ON YOUR OWN

- A. Using the *What's Up* story, list some ways in which the lives of girls have improved over the years.

How girls' lives have improved	
Then	Now
1. Poor access to healthcare	
2. Poor access to education	
3. Marriage at a young age	
4. Difficulties in finding jobs	
5. Victims of abuse	

## IN PAIRS

B. Brainstorm problems faced by children (boys and girls) in Singapore. List five of them here.
