## Job Advertisement

*An activity of "A post office in the Antarctic".*

Postmasters who work in the Antarctic post office do more than handle the mail. They even keep count of the Gentoo penguins around them! Read more about what they do in "A post office in the Antarctic" (page 20, *What's Up* June 2025).

- A. In 2022, more than 6,000 people applied to work at the Antarctic post office. Using the *What's Up* story, write an advertisement for this job.
