Making Improvements

An activity of "People who are helping to make things better for planet Earth".

Read "People who are helping to make things better for planet Earth" (pages 8–9, *What's Up* May 2026). Be inspired by these individuals from diverse backgrounds. They have a common goal — to pave the way for a more sustainable world for generations to come.

ON YOUR OWN

A. In the table below, list the ideas, actions and results of the individuals featured in the *What's Up* story.

Creating a more sustainable world		
Idea	Actions	Results
1. <i>Woo Qiyun</i>		
2. <i>Hyekyeong Kim & Nurul Sarifah</i>		
3. <i>Martin Wikelski</i>		
4. <i>Paolo Fanciulli</i>		

IN YOUR GROUP

B. Identify an improvement that your group can make in the classroom or school. Come up with an action plan to implement it.

Our observations of something that we think can be improved in our classroom or school:
